

ARTICLE IV - MEETINGS

Section 1. Time

The executive committee shall determine a General Body meeting schedule at the beginning of each elected term as informed by feedback from the General Body of the Staff Senate. The schedule will be such that the meetings will fall on the same day each month (i.e. Second Monday of each month, second Tuesday of each month). If a scheduled General Body meeting falls on a holiday or cannot be held for other valid reason, it will be postponed to the following week upon the same day of the week.

~~The Staff Senate shall hold a General Body meeting on the second Monday of each month. If a General Body meeting falls on a holiday or cannot be held because of an act of God or nature, the meeting shall be held on the Monday following the holiday or occurrence of an act of God or nature.~~

Section 2. Place

The executive committee shall determine a meeting location schedule at the beginning of each elected term. Location will be chosen to meet the needs of the General Body of the Staff Senate and cater to the type of meeting held (In person, hybrid, or completely online). Changes to meeting location once the schedule is set, will only be made to support General Body meeting needs.

~~To facilitate attendance, meetings shall be held consistently in the same place insofar as practical.~~
