

Vice Chair Report

June, 2017

Year End Report

Thank you for allowing me to serve at the Vice Chair of Staff Senate over the last year. Not only have I participated in Staff Senate committees, the University of Louisville Athletics Board, and search committees, I have had the opportunity to work with our talented and knowledgeable senate body.

As the Staff Senate representative to the University of Louisville Athletics Board, I have attended all the quarterly board meetings. I have participated in the Finance committee and budgetary presentation meetings this past year. As an appointed member of the Personnel committee, I attended the committee meeting and participated in the discussions and presentation of the Athletics Director (AD) self-assessment, review of senior personnel and the UCare annual report. Several copies are available for your review. The minutes from the April 2017 are available at: <http://louisville.edu/president/athletic-association/ULAA4272017Public.pdf>. The link to all the minutes is available at: <http://louisville.edu/president/athletic-association/minutes>

I have served on the Associate Vice President for Alumni Relations search and the results of that search concluded in the hiring of a very successful candidate. Along with others of the Staff Senate Executive Committee, I participated in the interviews for the Ombudsman and submitted the SSEC recommendations to Dr. Eells. I am currently serving as the Staff Senate Representative on the Chief Financial Officer (CFO) search. The committee will be meeting later this week to review candidates that are being presented by the search tem of Isaacson, Miller. I will be updating the senate as the search continues.

In chairing the Ad Hoc committee on Presidential Qualities, the committee is compiling the results of the surveys and will be presenting our findings to the SSEC for review and final submission to the Senate body.

As the ex-officio member on the Policy, Economics and Development, Staff Grievance, Staff Morale Community Outreach committees, I have attended the meetings and provided input and assistance.

I look forward to serving as the Vice Chair Staff Senate for upcoming year.

Respectfully submitted,

Vickie Tencer
