

## Vice Chair Report

June 11, 2018

Thank you for allowing me to serve the last two years as Vice Chair of Staff Senate. It has been a pleasure to serve.

May was a rather quiet month. I attended the Staff Senate meeting and the Executive Committee meeting, the Leadership meetings with the Chief Operating Officer and the Interim CFO and the Director of Human Resources.

I attended the Ombudsman's candidate interviews.

The newly formed Strategic Technology Committee held the vision/planning meeting on June 5<sup>th</sup>. This committee will continue to meet and provide a 5 year plan and vision for technology here at U of L.
