Rules and Guidelines

STATEMENT OF PURPOSE
The purpose of the SHARE Program (Staff Help Assistance Relief Effort) is to provide financial assistance to University of Louisville staff who are unable to meet immediate, essential expenses due to a temporary financial hardship that resulted from an emergency situation.

This fund originates from employee contributions, donations, and various fund-raising campaigns organized by the Staff Senate SHARE Committee.

The SHARE committee will raise awareness and develop ongoing support throughout the university community to ensure and protect the future of the SHARE Program.

Determining Need
A determination of need exists when a UofL permanent staff member lacks resources to purchase the basic necessities of life or meet the contingencies created by an emergency situation. Verification of the emergency is necessary to determine need. Documentation or copies of the invoices or bills that are to be considered for payment should also be submitted with the application.

Rev. 7/1/2020
Emergency Situations

Only requests for emergency situations will be accepted. Each application will be considered on an individual basis. Upon report of such an emergency, the Committee will direct the individual to Human Resources for additional services. This would include UofL’s Employee Assistance Program – Human Development Company, (502) 589-4357 or (800) 877-8332.

The SHARE committee will consider each case individually; however, the applicant should be able to demonstrate that all available avenues for assistance have been exhausted (this would include setting up payment plans, reducing the minimum payments, or requesting a discount for services). Supporting documentation must be included with the request for financial assistance from the SHARE Program. This would include copies of outstanding itemized statements and invoices. Additional information can be requested from the SHARE Committee. These documents can only be submitted to the Staff Senate Program Coordinator who will ensure that all confidential information is hidden or deleted before being distributed to the SHARE Committee.

Allocation of SHARE Program Funds

In order to determine whether the problem presented is within the scope of the SHARE Program, the following questions will be considered by the Committee:

- Is the applicant eligible for these services?
- Has a determination of need been established?

Once an application for financial assistance meets the qualifying criteria, it is the SHARE Committee chairperson’s responsibility to contact and convene the SHARE Committee to determine approval and the recommended SHARE amount of assistance to be provided, pending the availability of funds.

The request for SHARE assistance must be voted on and approved by the SHARE Committee. It is the responsibility of the SHARE Committee chairperson to notify the Staff Senate Program Coordinator, the Staff Senate Secretary/Treasurer and/or the Staff Senate Chair or Staff Senate Vice-Chair the recommendations of the SHARE Committee and the confirmation of payment terms. The Staff Senate Program Coordinator will be responsible for informing the applicant of the SHARE Committee’s decision and making payment arrangements. The applicant will be notified within 24 hours of the committee’s decision and payment will be made within 15 days of the decision.
