Application/Committee Preference Form

Staff Senate Application/Committee Preference sheets are due by April 15, 2022 (per by-laws).

The application should go live within the next 2.5 weeks. An email will be sent out over the senate list serv informing all senators that the application is live.

- You should complete this if your seat expires in **2022** and you want to re-apply for your seat
- If you seat expires in **2023**, you should complete the committee preference section so we know your committee preferences.
 - If you are seated in a seat that expires in **2023** and you are **not planning on returning**, please let Gretchen know by email, ASAP so we can fill the senate appropriately.
