Seating of the Officers

Chair – Kevin Ledford

Vice Chair – Kari Donahue

Secretary/Treasurer – Carcyle Barrett

Constituency Lists

Constituency lists will be delayed in being distributed to Senators. There are some staff reorganizations that took effect July 1st, and the Director of Data Services needs time to ensure that the staffing report provided to the Senate that is used to create constituency lists captures those reorganizations. It may be mid to late July before lists will be distributed to Senators.
