**Discussion:**

- PED Committee Charter
  - o Add language that additional meetings may be called as needed, to cover unanticipated issues that arise
- Telecommuting Policy
  - o Discussed whether the policy as it had been submitted was still the best version, or if we should revisit it given everything we had learned during the temporary policy through Covid.
  - o Discussed how much of the changes people wanted to see should be more about culture change, instead of trying to enact it through policy
  - o When will the training of staff and supervisors be rolled out, and when will the policy officially go live?
