S& F Committee Structure update:

- Glenn Gittings accepted the role of Chief of Staff to the Dean of the School of Medicine. With that growth opportunity, the position switches university employment status from staff to administrator. Unfortunately with that change, Glenn will no longer be eligible to serve on Staff Senate and on the Staff Senate EC. With that eligibility conflict, Glenn has resigned his position on Staff Senate, Staff Senate EC, and Chair of the S&F Committee.

Staff Senate Services & Facilities Committee Questions fielded from constituents and answers provided from Mark Watkins:

- Notes made on the First Campus Check Walk were forwarded to Mark on July 13 and will receive feedback as Mark is able to have staff review.
