

**University of Louisville Staff Senate**  
**Services and Facilities Standing Committee**

**Report 8 February 2022**

S&F Chair – Paul Eitel,  
Vice Chair – Mark Woolwine,  
Committee Members: Linda Leake, William “Bill” Tuttle, Jody Carroll, Jason Sievers, Dennis Thomas  
& Phillip Carswell  
EX Officio -Kevin Ledford

Next S&F Committee Meeting on Teams – Wednesday January 19<sup>th</sup> 2022 1:30pm.

- Scooters, Phillip Carswell & Dennis Thomas reviewing. To review Louisville Metro Ordinance Chapter 74 regulating dockless vehicles and how any parts can be incorporated for our use on campus scooters. For Scooters that are parked too close to building entrances and exits, as well as blocking walkways. In process.
- Update – The tree limb blocking the University of Louisville I-65 South expressway sign has now been trimmed. Thanks to Mark Watkins, Sajid Mian and Building Systems Engineer Donnie Thomas. Donnie worked with John Hill Ky Transportation District 5 regarding the tree trimming.
- I-65 South Jefferson/Brook Street exit ramp conditions, Update: The Kentucky Transportation Cabinet (KYTC) and Louisville Metro are partnering with the Federal Highways Administration (FHWA) to reconfigure these ramps and corresponding intersections. A public information session was held on Thursday, October 28, 2021 at 7 p.m. to discuss this project. More info their provided link: <https://louisvilleky.gov/government/advanced-planning-and-sustainability/i-65-south-jeffersonbrook-street-ramp>  
So it looks like a very dangerous intersection and an important entrance to our city and next to Nucleus is finally getting some attention!

Paul
