

Staff Senate Services and Facilities Committee

Meeting: Wednesday May 3, 2023 @ 1pm

Attendance: Mark Woolwine, Jason Sievers, Jennifer Hall, Carcyle Barrett

The monthly meeting of S&F was held on Wednesday, May 3, 2023 at 1pm. Mark brought up a complaint from a constituent who had a bad experience with the Floyd street parking garage elevator on Monday May 1. The constituent reported that the elevator was full of trash and had a foul odor. See the image attached below. The constituent followed up on May 2 and said that the elevator had been cleaned. We agreed that this elevator is important for the campus image and that it should be maintained well. We decided to contact Physical Plant and Custodial Services about this issue. No other new business was discussed.
