

Staff Senate – Services & Facilities Committee

Meeting Summary

Thursday, November 20th

Chair: Katie Hasper

Co-Chair: Angela Lewis-Klein

Old Business

- Scooter use on Campus
 - Katie to meet with Gary Becker to discuss how to address personal scooter parking issues. Would like the GSC to weigh in on how to address this with the students.
 - Should scooters be registered the same way bikes are?
- Dining Options on Campus
 - This was brought to the full senate for discussion.
- HR Services on HSC
 - Services have not been restored and there has been no follow to the conversation. Need to address the HR committee with providing some days of HR services.
 - Concerns have been expressed with Dean Bumpous.

New Business

- Katie met with Jerry Johnson and Sajid Mian to discuss crosswalks and traffic on Belknap.
 - Sajid immediately addressed the crosswalk between the SAC and the pedway stating they would refresh the paint and add additional crosswalk markings.
 - Traffic and safety concerns were raised regarding the parking lot off of Eastern parkway near the new building. EC agreed that more traffic control and additional signage is needed.
 - Will bring to their EC meeting and Katie will follow up with Jerry and Sajid to make sure this is addressed.
 - S&F committee member, Jesse Browning volunteered to address the concerns with ULPD.
