

STAFF SENATE GRIEVANCE COMMITTEE REPORT

December 9, 2019

The Staff Grievance Committee received one grievance this month regarding a performance evaluation. As I work closely with one of the individuals involved in the grievance, I recused myself from serving on this hearing. The SGC Vice Chair, Barbara Bishop, presided over the interviews. The subcommittee serving on this hearing ultimately decided that the performance evaluation was appropriate and should stand.

Respectfully submitted,

Jason Beare

Chair, Staff Grievance Committee
