

STAFF SENATE GRIEVANCE COMMITTEE

November 9th, 2021 Meeting Report

No grievances have been filed since the last full Senate meeting.

Following Linda Wilde's departure from the University, Denise Hand was appointed as the new Staff Senate representative to CODRE. According to the new SGC Charter which requires CODRE and COSW representatives to also sit on SGC, Denise is now a full voting member of SGC.

With Open Enrollment requiring so much time and effort for HR over the past few weeks, the Grievance Policy Review has not moved forward since the last full Senate meeting. I have reached out to Mary Elizabeth Miles, Donna Ernst, and PED Chair Virginia Hosono to look at schedules and plan another meeting soon.

Respectfully submitted,
