

STAFF MORALE & ENGAGEMENT COMMITTEE

DECEMBER 9, 2025

The HSC Connect event was attended, and it seemed very well-received on HSC. There were MANY attendees, and people were engaged and visiting each booth. We were able to talk to many staff members and students. Most of the staff members reported getting regular updates from their Staff Senate Rep, but there were some who said they did not. Those were reported to Kevin, but as some of them were new people to UofL, we told them to wait for a bit and see if they get emails.

SME would like to do some things for staff in the new year, and we will be meeting regularly starting in January.
