This is my first report in as your new Vice Chair for the Staff Senate. I am getting settled into the role and the new responsibilities it entails. I am excited to continue representing our staff in this new role. I have spent a bit o time trying to make sure I am in all the meetings coming up I need to be. Also spent a bit of time passing the keys to Carcyle as our new Secretary/Treasurer. I know she is going to do fantastic in the role! Looking forwards to the Shared Governance Committee, which is upcoming. Will continue to report as I can.
