

University of Louisville Staff Senate

Vice Chair's Report

Tuesday, November 8, 2022

#### Meetings Attended

10/14 Staff Senate Quarterly Budget Meeting

10/25 Staff Senate Executive Committee Meeting

10/28 ULAA Finance and Budget Committee Meeting

10/22 ULAA Quarterly Board Meeting

11/1 Officers Meeting with CFO and their reports

The officers met with our business ops budget person to discuss our quarterly statement. Outstanding issue is salary increases for the Chair and Vice-Chair. These were done without request on our part and aren't listed currently as funded. Since they were done to create parity with the Faculty Senate Chair and Vice-Chair, we asked that the Treasurer position get a similar increase and its funding be approved for our budget, so it doesn't impact our balances. This is being reviewed in the President's office and we should hear back by sometime in the early next quarter.

The ULAA Board met, and there were a couple of interesting items. New turf to replace old and damaged turf in cardinal stadium was approved, and we also approved a promotion of three high performing athletics staff from assistant AD to associate AD position. These three promoted folks, work closely with student athletes in our various programs to ensure their academic success. Officers were elected for the Board as well, and I was chosen to serve the treasurer role for this term.

We also met with the CFO's leadership team and got some updates. We spoke with Lisa Ennis about Canon concerns. They are in the process of working with canon to resolve. Carcyle has direct contact info she will be sharing to contact Lisa and team with canon print and mail delivery issues. We spoke with Gary Becker about parking issues, sharing concerns received at last months meetings. We spoke with Mary Elizabeth Miles about the Compensation Study, and it sounds like it is still on schedule, so finish in the first half of next calendar year. We also had a an update on the COO search from Dan Durbin, that search is on hold currently.
