Conversations regarding remote work for staff after the Jan. 25 snow event were held via phone and virtual methods clarifying how decision was made, navigating staff expectations while investigating whether the decision was in compliance with the Campus Operations During Inclement Weather and Emergency Events Policy.

Other topics discussed with constituents have been concerning RAVE alert systems, crisis communications plan, campus climate and career ladders.

The VP of Communications and Marketing search committee has met and will begin reviewing applications later this month.

Please take time to [complete the climate survey](#) by Feb. 22. Your feedback is important to help measure the work portion of the Strategic Plan.

Respectively Submitted,
