

BENEFITS ACCOUNT MANAGEMENT ADMINISTRATION RFP COMMITTEE
APRIL 13, 2021

On April 4th, I received a request to participate in this RFP review as a result of being one of the Staff Senators on the Benefits Design Workgroup. This benefit is currently managed by Discovery Benefits and Health Equity. Our current Benefits vendor, Willis Towers Watson, is compiling a summary of services and the financial proposals. Once those are received this workgroup will evaluate and score the proposals. The timeline for completing this is estimated to be approximately one month.
