

BENEFITS DESIGN WORKGROUP REPORT

12.9.2025

The BDW met 12/1/2025 in a consolidated meeting with HRAC. HR is working on recharging the two committees as one joint HRAC/BDW committee.

As for BDW update in this meeting, the only update is that the Vision and Dental contracts expire January of 2027, so negotiations over a new contract will be taking place in the coming months in advance of the open enrollment of October 2026.

Thank you,
Christopher Farthing
