

DINING SERVICES ADVISORY COMMITTEE

December 9, 2025

Other than a brief meeting sometime in September to discuss the moving of Subway to the SAC and a plan to get a new self-serve food vending machine at Duthie in the next year or so I have not heard anything from Lisa Ennis or anyone from dining all semester. I'm not sure if they have been having update meeting and if so why I haven't heard anything from them so other than those few things I have nothing else to report.
