HRAC Highlights

Workday update from Melissa Shuter – go to the Workday website, <https://louisville.edu/workday>, for up-to-date information. Employees will have access to all their information on one page such as pay, xpay, and benefits.

Compensation and Total Rewards – more communication will be coming out on this soon. They are looking into peers to use in their benchmarking over the next three months. They want a large enough group to cover the many facets of our faculty and staff.

Covid19 home test kits are still available for free with your insurance card at local pharmacies.

HR offices will be moving to a new space on Belknap campus and will be out of their current space by the end of March. They will communicate when and where as it gets closer.
