Use the provided filters to narrow your search results. In the upper left corner of the screen you will see the term you are currently searching. If the term you wish to register in is not listed, click change, and select the correct term. Once you have made your selections, click **Search** to retrieve your results. If you wish to clear all of your options, click **Reset**.

# HOW TO REGISTER

Once your search results are returned, you can view class details by clicking the course label, listed in blue text, on the left. To add the course to your cart, click the **Add** button on the right.

# HOW TO REGISTER

If you would like to delete a class from your selection place a checkmark in the space provided on the right side of your screen. After designating the course(s) you want to remove, click **Delete**.

If you are satisfied with your choices, and are ready to view your cart, click **Go to Cart** or use the Blackboard & Follett links to verify course materials.

Once viewing your Shopping Cart you will see your selection of classes. You will have the option to **Enroll, Delete, or Validate** the classes you have placed in the cart. **Enrolling** in the course will register you, **Delete** will remove the course from your Shopping Cart, and **Validate** will confirm you have met any prerequisites for the selected course.
