

Application for Participation in IIE/UofL's Passport Initiative

UofL is committed to expanding our global footprint and impact by increasing the number of students who participate in global cross-cultural study, research, and/or service experiences. However, a passport is required to study abroad and the cost and steps required to obtain one can be expensive and confusing. This grant is designed to assist students in not only obtaining a passport, but also in navigating the steps to make studying in a foreign country a reality. Recipients will work closely with the Office of Study Abroad and others to complete the passport application and apply for scholarships to help with their international plans.

Full Name:

UofL Email:

Preferred Name:

Pronouns:

Student ID:

Intended Major/Minor:

Foreign language experience (if any):

Please answer the following four questions:

In what ways will receiving a U.S. passport empower you?

Where do you want to travel?

What influenced you to pursue study abroad?

What are your personal, professional, and academic goals for studying abroad?

By submitting this application, I agree to (initial each):

Obtain necessary documents and take necessary steps to apply for the passport

Meet with a Study Abroad Advisor to discuss potential study abroad programs

Submit application to kimber.guinn@louisville.edu
