

Dear Space Schedulers,

We have changed authentication providers for 25Live. When you click the sign in button, you will be taken to a Microsoft branded login page. Please sign in with your U of L email address (ulink@louisville.edu) and U of L password. Once you complete this sign in process, you will be taken back to 25Live.

Microsoft branded login-screen displayed after clicking "Sign In"

If you happen you use any other U of L web services that use the Microsoft log in page (outlook.com, Archibus, etc) you may not be required to sign in again. As soon as you click "Sign in" on 25Live, you will be signed in without needing to use a username or password. This is the desired behavior. Please ensure that the name on the upper right side of 25Live displays your name before continuing to use 25Live. If it is not, please close your browser and try again.

Make sure your name is shown in the green circle
