YOUR VISION
OUR MISSION

To enhance and support the mission of the university by creating and sustaining visually vibrant and functional working environments through design consultation, project management and space coordination.
University Planning, Design and Construction (UPDC) is a division of the Office of Facilities Management. UPDC supports the planning and architectural services for new construction, renovation, expansion of existing facilities and installation of specialty equipment. UPDC’s professional staff provide:

- Architectural Services
- Capital Planning
- Classroom Scheduling
- Construction Management
- Facilities Management
- Interior Design
- Master Planning
- Signage
- Space Programming
