

**Mary K. Bonsteel Tachau Scholarship
for Graduate Work
in Women's & Gender Studies**

Each academic year, WGST awards a limited number of scholarships for students continuing in or newly admitted to the program. Scholarships will be awarded by the [Graduate Admission Committee](#) of WGST based on merit. The Committee will consider all admission materials and work to date to determine merit.

To apply for a scholarship, you must:

- have completed application materials for the Women's and Gender Studies M.A. program.
- complete a Tachau Scholarship application form (available in the WGST office, online, or you may request that we email you a form)

Your application materials must be complete to be considered for this scholarship.

Dual degree students must be enrolled in WGST courses in order to receive Tachau Scholarship Funds.

These scholarships are made possible by an endowment in honor of Mary K. Bonsteel Tachau and also by gifts from other generous donors to the University of Louisville Women's and Gender Studies Department.
