

Women 4 Women Student Board Response to COVID-19

Hey guys!

Before we get to some of the more fun stuff I have a few quick announcements.

- 1.) **The retreat that was supposed to happen in early April is cancelled** because it would've happened before we'd be back for classes. (if there was a frowning cowboy emoji you bet your sweet bippy I'd be using it)
- 2.) **The Cards Against Street Harassment event is also cancelled** due to the same reasons.

On a lighter note!!

Since classes are online and we all should be practicing social distancing (please be safe everyone!!) we're going to do a little interactive email. Oooo la laaaa!

This month is Women's History Month so I wanted to ask, ***who is a woman that you look up to in your life and why?*** It could be a celebrity, professor, or one of your friends!

"One woman who I look up to is my Godmother, my Aunt Kim! She is always so outgoing and caring of others, always wanting to make everyone around her feel welcome and loved no matter who they are. She also is super adventurous and will try anything at least once, and I look up to her each and every day!" - Steph

Also also!

If you want a little playlist with some of the queens of pop music to uplift your mood while we're all chilling at home working on our online classes here is the link to that!

We will be sending weekly interactive emails and will currently working on activities to do together virtually so stay tuned.

Hope you all are doing well, and we are here for you!
