

# APA TITLE PAGE

Running head: MICE ATTACK IN SMALL GROUPS

1

Mice Attack in Small Groups: Differentiated Aggression in the Common Mouse Population

Samuel A. Johnson

The University of Louisville

## **The title page contains five parts:**

- "Running head"  
The phrase "Running head" is only included on the first page.
- Your header  
An abbreviated title in all capital letters along with a page number.  
The APA manual states that the abbreviated header should be the first 50 characters of your title. If you have a short title, then select the first 2 or 3 words of your full title for your header.
- The title of your essay
- Your name
- Your class name/number or your institution
